Welcome to

CANADA GATEWAY EXPO 2027

Welcome to Canada Gateway Expo 2027—an international business, trade, and investment conference designed to connect ambitious companies with opportunities in Ontario, Canada, and global markets.

Under the theme “A Conference That Defines the Future of Your Business,” the event will bring together entrepreneurs, investors, exporters, importers, manufacturers, government representatives, diplomats, trade organizations, industry experts, and corporate leaders for a focused day of meaningful discussions, business introductions, and strategic networking.

Canada Gateway Expo 2027 is more than a conference. It is a platform for discovering new markets, exchanging ideas, exploring investment opportunities, building international partnerships, and developing long-term commercial relationships.

Whether you are planning to enter the Canadian market, attract international investment, identify distributors, meet potential partners, or expand your global network, Canada Gateway Expo 2027 provides a valuable gateway to new possibilities.

About

WORLD TRADE DEVELOPERS INC.

World Trade Developers Inc. is a Canadian organization registered in **Canada, the United States, the United Kingdom, Australia, and Pakistan**, with a strong focus on international trade promotion, investment facilitation, business networking, market access, delegation management, and the development of strategic Business-to-Business (B2B), Business-to-Government (B2G), and Government-to-Government (G2G) opportunities.

Through international conferences, exhibitions, institutional engagements, trade delegations, and global business missions, the organization connects Canadian companies with overseas markets while assisting credible international businesses in exploring trade, investment, and partnership opportunities within Canada.

Our Commitment is to build GLOBAL CONNECTIONS

**CONNECTING MARKETS.
CREATING OPPORTUNITIES.**

Message from the **CEO**

It is my great pleasure to welcome you to Canada Gateway Expo 2027.

In today's rapidly changing global economy, businesses must build meaningful relationships, understand emerging markets, and remain open to innovation and international cooperation. Canada offers a stable, diverse, and globally connected business environment with significant opportunities for investors, entrepreneurs, exporters, and growing companies.

Canada Gateway Expo 2027 has been created to connect global businesses with Canadian markets and help Canadian companies develop relationships with international buyers, investors, suppliers, and strategic partners.

Following the successful execution of the Lifestyle Expo Business & Investors Conference 2026 and Canada Gateway Expo 2026, World Trade Developers Inc. remains committed to developing professional platforms that promote trade, investment, entrepreneurship, market access, and economic cooperation.

We look forward to welcoming delegates from Canada and around the world to Toronto for a productive and results-oriented conference.

Rana Muhammad Tanveer
Founder & Chief Executive Officer
World Trade Developers Inc.

About

CANADA GATEWAY EXPO

Canada Gateway Expo is an international business platform developed to promote:

International trade and investment

Business expansion into Canada

Canadian products and services in global markets

Business-to-business matchmaking

Technology and knowledge exchange

International delegations and institutional cooperation

“

The conference connects credible businesses and decision-makers through presentations, panel discussions, networking sessions, business meetings, and market-focused conversations.

Our VISION

To establish Canada Gateway Expo as a trusted international platform connecting Canada with emerging and established global markets while creating sustainable opportunities for trade, investment, innovation, and economic development.

Our MISSION

Our mission is to bring businesses, investors, institutions, and governments together in an environment where ideas can become partnerships and partnerships can become measurable economic opportunities.

Conference OBJECTIVES

Canada Gateway Expo 2027 aims to:

- 1 | Present Canada—and particularly Ontario—as a competitive destination for international investment and business expansion.
- 2 | Help international companies better understand the Canadian business environment.
- 3 | Connect Canadian businesses with international buyers, distributors, investors, and partners.
- 4 | Promote export development and access to new global markets.
- 5 | Facilitate credible B2B, B2G, and institutional introductions.
- 6 | Encourage joint ventures, technology transfer, and commercial cooperation.
- 7 | Support entrepreneurs, SMEs, manufacturers, and innovative companies.
- 8 | Strengthen relationships among business communities across different countries.
- 9 | Generate practical leads and follow-up opportunities for participating organizations.
- 10 | Promote long-term economic cooperation and people-to-people connections.

Why **ATTEND?**

CONNECT

Meet business owners, investors, government representatives, trade professionals, corporate leaders, service providers, and international delegates.

DISCOVER

Learn about Canadian market opportunities, investment considerations, business support services, emerging industries, and international expansion strategies.

COLLABORATE

Explore potential partnerships, distributorships, franchises, joint ventures, supplier relationships, and investment projects.

GROW

Develop valuable contacts, introduce your company to new markets, and identify opportunities that can support your long-term business growth.

- 01 Tickets are non-refundable and non-transferable.
- 02 Registration is valid only for the named participant.
- 03 Government-issued identification may be required.
- 04 Attendees must follow Canadian laws and venue regulations.
- 05 Tickets, invitations, badges, and event documents must not be altered, copied, resold, or misused.
- 06 Submission of false or misleading information may result in cancellation without refund.
- 07 The program, speakers, schedule, format, and participating organizations may change.
- 08 The organizer may refuse or revoke admission for misconduct, disruption, security concerns, or breach of event policies.
- 09 Registration does not guarantee business meetings, contracts, investments, sales, or commercial results.
- 10 Attendees are responsible for their travel, accommodation, insurance, immigration, and personal expenses.
- 11 Photography and video recording may take place during the event.
- 12 Additional terms and conditions may apply to exhibitors, sponsors, speakers, and international delegations.

Accessibility and Special REQUIREMENTS

Canada Gateway Expo 2027 is committed to providing a professional and welcoming experience.

Participants requiring wheelchair access, mobility assistance, dietary accommodations, interpretation, or other reasonable support should notify the organizing team during registration and no later than the published accessibility deadline.

Requests will be reviewed individually and remain subject to advance notice, venue capability, and availability.

Code of CONDUCT

All participants are expected to:

Treat others with dignity and professional respect

Avoid discrimination, harassment, intimidation, or disruptive behaviour

Respect privacy and confidential business information

Obtain permission before using another participant's personal information

Refrain from unauthorized solicitation or promotion

Follow security, health, safety, and venue instructions

Represent themselves and their organizations truthfully

Conduct business in accordance with applicable Canadian laws

RESPECT, INTEGRITY,
PROFESSIONALISM
FOR A STRONGER
EVENT EXPERIENCE

The organizer reserves the right to remove any participant whose conduct threatens the safety, integrity, or professional environment of the conference.
